

- 8.6. Certification of Installation. For all projects where the **total outdoor light output** of the proposed lighting equals or exceeds 300,000 **lumens**, certification that the lighting, as **installed**, conforms to the approved plans shall be provided by a registered engineer, architect or landscape architect before the certificate of occupancy is issued.

## **Section 9. Approved Materials and Methods of Construction or Installation/Operation.**

- 9.1. Light Fixture Information. All fixtures, as installed, must have information including but not limited to fixture manufacturer, catalog number, lamp type, CCT (for LED), and wattage, visible without undue difficulty to allow simple visual confirmation by an observer on the site that the fixture conforms to the item approved in the lighting permit. Such information must be provided and affixed to each fixture by the fixture manufacturer, and typically includes fixture manufacturer, catalog number, lamp type, CCT (for LED), and wattage.
- 9.2. Approval of Alternatives. The provisions of this Code are not intended to prevent the use of any design, material, or method of installation or operation not specifically prescribed by this Code, provided any such alternate has been approved by the designated official. The designated official may approve any such proposed alternate providing he/she finds that it:
- A. provides at least approximate equivalence to that applicable specific requirements of this Code, and
  - B. is otherwise satisfactory and complies with the intent of this Code.

## **Section 10. Prohibitions.**

- 10.1. Laser Source Light. The use of laser source light or any similar high intensity light for outdoor advertising or entertainment, when projected above the horizontal, is prohibited.
- 10.2. **Searchlights**. The operation of **searchlights** for advertising purposes is prohibited.
- 10.3. Mercury Vapor. The use of mercury vapor lights is prohibited. (ARS 49-1104).

## **Section 11. Temporary Exemption.**

- 11.1. Request; Renewal; Information Required. Any person may submit, on a form prepared by the jurisdiction, to the designated official, a temporary exemption request. The request shall contain the following information:
